THE KITES

BY DAPHNE LISTER

1 Up in the air
See the kites fly,

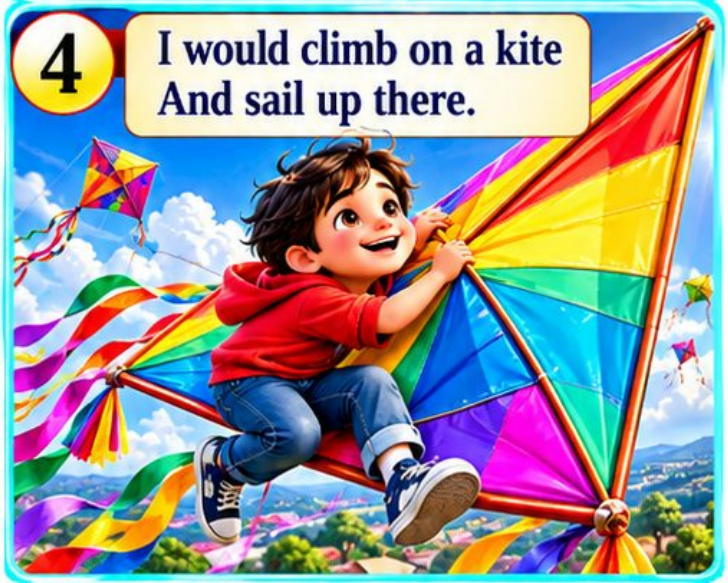

2 Like coloured birds
In the wind-whipped sky.

3 I wish I were small
And light as air,

4 I would climb on a kite
And sail up there.

5 Then I would drift upon
The paper wings,

6 And hear the songs
That the wild wind sings.

THE KITES

BY DAPHNE LISTER

1 What fun it would be
To look right down,

2 Over the park
And the rooftops of town.

3 The people below
Would stand and stare,

4 And wish they were me
High, high in the air.
