NURTURING NATURE

WHAT A BIRD THOUGHT

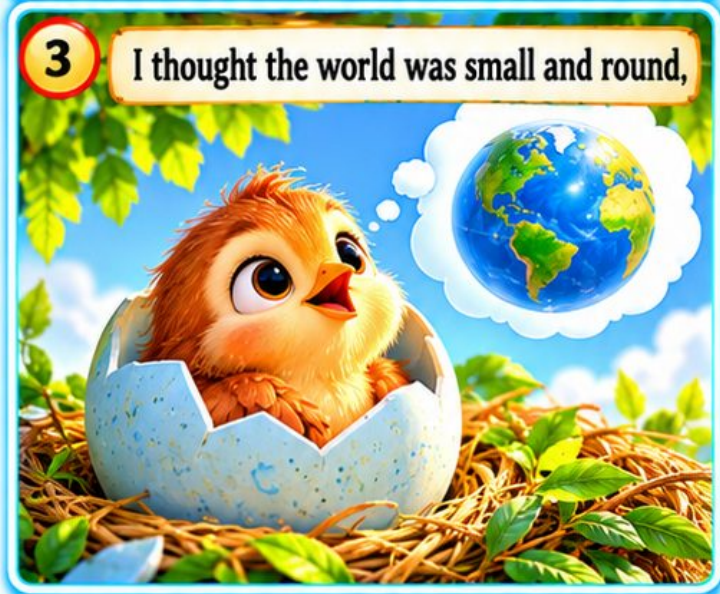

1 I lived first in a little house,

2 And lived there very well,

3 I thought the world was small and round,

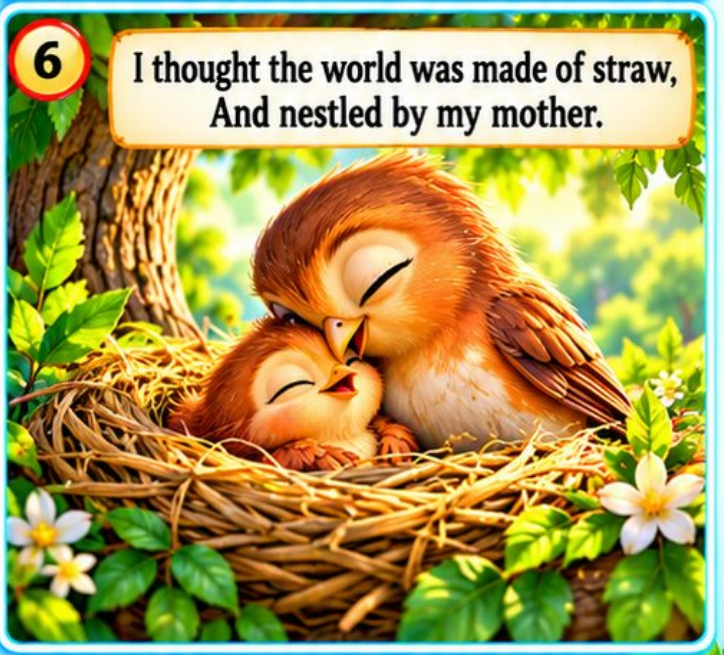

4 And made of pale, blue shell.

5 I lived next in a little nest,
Nor needed any other,

6 I thought the world was made of straw,
And nestled by my mother.

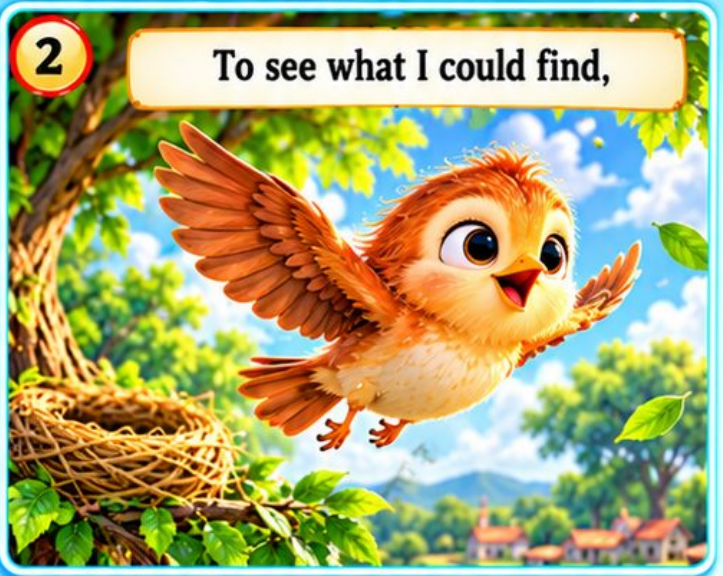

NURTURING NATURE

WHAT A BIRD THOUGHT

1 One day, I fluttered from my nest,

2 To see what I could find,

3 I said the world is made of leaves,

4 I have been very blind.

NURTURING NATURE

WHAT A BIRD THOUGHT

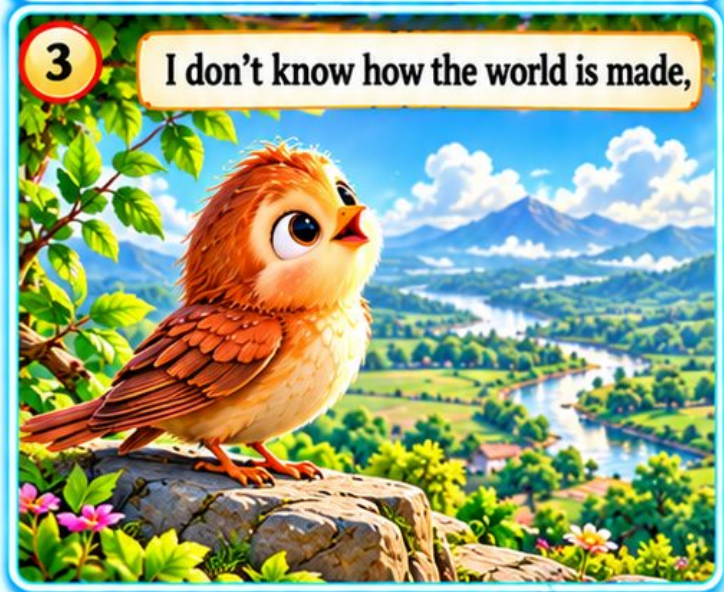

1 At length I flew beyond the tree,

2 Quite fit for grown-up labours,

3 I don't know how the world is made,

4 And neither do my neighbours.
